Discipline (Hank)

- in general discipline has improved (less problems, more spankings)
- there was one 2 season suspension (one naughty boy)

Division Reports

- A Division – need some one who will be more active. Discuss what the protocol is for releasing previous one and assigning new one. Discussion.
- B Division – fall was smoother, oh so smoother, especially with schedule change. Season was good. Would like to find another team or two to join us.
- C Division – we’re taking B league players from B league rather than new ones. We had 8 teams, which is increase from previous. This fall we had better attendance overall with players showing up. We had more yellow cards for dissent. Tournament went well.
- All over happiness regarding schedule and field assignment (or lack thereof)

Discuss possible league growth

- possible D-Division?
- A – Division? What can we do? Rogue leagues popping up around the state...
- Rob Bauer – owes us \$ and has not pd for a couple years
- Recruiting – A division, especially

Registration Report

- 132 reg in A league
- 92 players in B league
- 140 players C league
- ASK AARON FOR \$&#
- 20,131\$ total
- Beckley still owes  
19,711\$ reg

344 players

#### Field Work

- need dirt
- Problem spots on a few places
- Will Dan ever come back? He's back on weekends and wants to continue doing this. He's planning on playing with league and working with Chaos.
- Is Ed still with us? He still wants to play but doesn't want to be coordinator? Aaron booty-called Ed his 'Bi-otch' and affirmed he will be the spring coordinator. Discussion ensues regarding replacing Ed.

Shirts – talk to Tim Walroth. Discuss ideas about sponsorship....

#### Field Maintenance

- incentives
- positive reinforcements

#### Executive Cabinet

- Hank is done with this year
- Ken Sheriff willing to take this one
- Jimmy Cunningham nominates Miguel
- Hank says “one bald guy out, one bald guy in.” Molly says, “that’s what she said.”
- Dana says we need to replace to Tim Mayo. Hank says, “Once Tim gets his teeth in, he’ll stick it out [or in].”
- So we need talk to Tim. If he’s not gonna do it, then Jimmy Cunningham may be willing to step up.

#### Treasury

- Rick Evans is starting to take over
- Online banking is working well

#### League admin in general

- getting the word out
- Send out message to ALL players of the league
- Need incentives for league meetings and field work
- Discuss incentives for team captains
  - o Tri-spot
    - Register a certain number of players
    - Attend meetings
    - Attend field maintenance parties

Ken Sheriff asked about our By-laws said they are way off...

- look at by laws
- Caleb suggest a drunken by-law party

Be more proactive with telling Aaron what to do with his database because it is HUGE

Nothing is better than what Dave Nelson does when he grabs a couple guys from GW and says "Hey lets have a team"
